1000ML A Style Dishwasher Safe Silicone Food Bag Ideal For Storing And Preserving Food

Silicone Food Bag – Bober SFB-F-1000

Introducing the SFB-F-1000 silicone food bag, a revolutionary product that is revolutionizing the way we store and transport food! It is made of high-quality silicone, which can meet standards certified by FDA certified and dishwasher safe. It has a square shape and is odorless, making it perfect for food storage. It is also microwave and oven safe, so you can easily reheat your food without having to transfer it to another container.

The best part about this amazing product is that it is so versatile. Use it to store sandwiches, fruits, vegetables, and other snacks. It is also ideal for packing lunch for work, school, or even a picnic. You can also use it to store leftovers or marinate your food. This multipurpose bag is also great for traveling, camping, or even as a gift bag.

The Bober SFB-F-1000 silicone food bag is available in a variety of colors and sizes. It has a minimum order quantity of 100-200pieces. It is packaged in an OPP bag or color box and can be delivered within 7-14 days. Payment terms are FOB or DDP, and the supply ability is 2000pcs/day.
