Product Description

18 Holes Enjoy Perfect Ice Spheres With Silicone Ice Ball Mold - Freezer Safe

Product Description:

Ice Cube Tray

This Ice Cube Tray is perfect for making ice cubes and other shapes such as ice balls and whiskey rocks. It is BPA free, and available in multiple colors like white, blue, green, red, black and multi-color to suit any kitchen decor. This tray is designed to be non-stick, and provide a secure seal to keep drinks cold and fresh. It is safe for use in the dishwasher and is heat resistant from -40°F to 230°F.

The Ice Cube Tray is designed with a lid to ensure an airtight seal, and the silicone mold allows for easy release. It is perfect for making ice balls and whiskey rocks for cocktails and other drinks. Ice cubes made with this tray are great for chilling drinks quickly and evenly, and the lid helps to preserve the flavor of the drinks.

This Ice Cube Tray mold is perfect for making ice cubes, ice balls, and whiskey rocks for cocktails and other drinks. It is BPA free, and available in multiple colors such as white, blue, green, red, black and multi-color.
